

## Marian Hour

The Rosary has been prayed on Radio Station CKJS daily at 10:30 for the past forty years. As we are all aware, prayers are so necessary these days. The housebound, sick, elderly and families in need of help rely on this program.

Unfortunately, the funding from donations is not covering the costs of keeping the program on the air. In addition, the cost of programming has increased. The cost per annum for the daily rosary is approximately \$16,000. Until now the program has been totally supported by donations, which however, are on the decline.

To offset our financial needs, in 1999 we held the first *“Walking For Mary”* which realized several thousand. This is now becoming an annual event. Thus, we are appealing to all the Catholic Community of Manitoba to help us with the financial support and cooperation necessary to keep this most valuable prayer program.

*Thank you in advance for assisting in our endeavours to keep the Rosary prayer form in accordance with the wishes of Our Lady.*
